"BIGGER PEONIES"

The following varieties are all varieties I have raised from seed. I have tested them all for a good many years and I believe they are all worthy of a trial in your gardens. I do not have very large stocks of them and there are not very many plants of each to be sent out this year.

ANNE BIGGER - This very large medium pink flower is very smooth in color and always opens. The flower is very heavy and the stem is strong enough to hold it up unless a heavy rain hits, then some of them will go down. It makes a very pretty bud and the foliage is medium dark green. Per Division - \$10.00 Net

KANSAS - Bright red held high on one of the strongest stems in the field. The foliage is clean and dark green and the plant has always been healthy. The flower is full double with a few hidden stamen. Kansas makes a very good show flower as well as a good cut flower- early - American Home Medal Winner. Per Division - \$15.00 Net

KAW VALLEY - About 30 inches tall and full double with a few stamen. Bright red and holds its color very well in the bright sun. Per Division - \$10.00 Net

LADY ORCHID - Just as the name implies this flower is light orchid pink. It is full rose type without any stamen. The foliage is very clean light green--has wide leaves. The stem strong. The plant has the appearance of the variety La Perle with a lighter pink bloom. Per Division - \$10.00 Net

PRAIRIE BELLE - A very large full double creamy pink flower that fades to white in the sun. It will stay pink in the house. Has few stamen. The petals are long and narrow and it never has any trouble opening even in bad weather. The stems are 30 to 36 inches tall. Dark green foliage - midseason. Per Division - \$10.00 Net

SHAWNEE CHIEF - Midseason cut flower, red. This has been one of the best cut flower varieties I have ever grown. It will open well from the field or cold storage. The stems are about 30 inches tall and each established plant will furnish 12 to 20 stems to cut. In the bud Shawnee Chief looks like a rose. It has never waterlogged for me. Per Division - \$4.00

WESTERNER - Jap, and one of the finest. It will grow 3 feet or more high. The flower is very large light pink with a very stiff cushion of stamenoids that are bright yellow. It has never feathered for me. It is lighter pink than Tomato-Boku, almost as large and $2\frac{1}{2}$ times taller. Plant and root are clean and it is a good grower. Mid-season. Per Division - \$10.00 Net

SPECIAL: One each of Kansas, Lady Orchid, Shawnee Chief and Westerner for \$35.00 Net - postpaid.

-- I R I S --

SUNNY DAY (Sass) SPURIA. This, to my mind, is the finest cut flower iris to date. It is birght yellow and is tall, straight and always holds its head up. It will stand a lot of water. Make a corsage out of it and your neighbors will think you have a yellow orchid. Plant a few in your peony row. Per Plant - \$1.00
